

For Woman Life Freedom

Woman, as in: Respect for life, equality for all and an end to all forms of discrimination

Woman, as in: Abolition of compulsory hijab, prohibition of children's hijab, abolition of all Islamic misogynistic laws

Woman, as in: An end to gender apartheid in Iran

Woman, as in: An end to all forms of religious oppression, humiliation and abuse against women and against all

Life, as in: Welfare, happiness and dignity for all

Life, as in: An end to exploitation and wage slavery, an end to economic inequality

Life, as in: Welfare, dignity and happiness for children

Life, as in: Clean air and water, clear and bright skies for all

Life, as in: Abolition of the death penalty and destruction of all the gallows

Life, as in: Prosecution of all those who ordered and those who carried out the killing of people, the murderers of Mahsa, Nika and others in the current revolution and over the past four decades

Freedom, as in: An end to religious state and religious rule, an end to the interference of religion and religious institutions in the lives of the people

Freedom, as in: Release of all political prisoners, opening the gates of all prisons

Freedom, as in: Dissolution of all repressive forces and systems of spying on people

Freedom, as in: An end to all sanctities and taboos and all religious dogmas and compulsions forced upon society

Freedom, as in: Unconditional freedom of expression, organisation, assembly and protest

Freedom, as in: Direct governance of the people, abolition of all forms of government that stand above the people

Woman, Life, Freedom, as in:

The overthrow of the Islamic Republic and building a human society.
